Rules

- No AI (Agent, Copilot, Chat)!!!

On the lecture

One-time use of AI: computers are prohibited; all solutions must be on paper.

Second use of AI: no lectures — no practice!

In the midterm attestation or exam:

Use of AI: Commission for one, and papers for others

- Only documentations are allowed!
- Ask any question if you do not understand (there is no stupid question)

One used it — everyone suffered!
